

**Red List species Arboretum Wespelaar (07/03/2022)**

RL CODE	NAME	
EW	Franklinia alatamaha	extinct in the wild
CR	Abies numidica	critically endangered
CR	<i>Acer pentaphyllum</i>	critically endangered
CR	<i>Betula chichibuensis</i>	critically endangered
CR	<i>Fraxinus pennsylvanica</i>	critically endangered
CR	<i>Fraxinus profunda</i>	critically endangered
CR	Fraxinus quadrangulata	critically endangered
CR	<i>Glyptostrobus pensilis</i>	critically endangered
CR	Magnolia zenii	critically endangered
CR	Rhododendron changii	critically endangered
CR	<i>Rhododendron griersonianum</i>	critically endangered
CR	Rhododendron magniflorum	critically endangered
CR	<i>Rhododendron mianningense</i>	critically endangered
CR	Rhododendron minus var. chapmanii	critically endangered
CR	Sorbus lancifolia	critically endangered
CR	<i>Torreya taxifolia</i>	critically endangered
EN	Abies koreana	endangered
EN	Abies nordmanniana subsp. equi-trojani	endangered
EN	Abies pinsapo var. marocana aff.	endangered
EN	Abies pinsapo var. pinsapo	endangered
EN	Acer griseum	endangered
EN	Acer tenellum	endangered
EN	<i>Betula megrelica</i>	endangered
EN	Chamaecyparis formosensis	endangered
EN	Cunninghamia konishii	endangered
EN	Fitzroya cupressoides	endangered
EN	Fraxinus chiisanensis	endangered
EN	Ginkgo biloba	endangered
EN	Ilex brachyphylla	endangered
EN	Liquidambar orientalis	endangered
EN	Magnolia dawsoniana	endangered
EN	Magnolia decidua	endangered
EN	Magnolia officinalis	endangered
EN	<i>Magnolia sinostellata</i>	endangered
EN	Magnolia stellata	endangered
EN	Metasequoia glyptostroboides	endangered
EN	Picea engelmannii subsp. mexicana	endangered
EN	Picea martinezii	endangered
EN	Picea omorika	endangered
EN	Pittosporum patulum	endangered
EN	<i>Quercus acerifolia</i>	endangered
EN	Quercus kiukiangensis	endangered
EN	Quercus oglethorpensis	endangered
EN	Quercus pontica	endangered

EN	Rhododendron adenosum	endangered
EN	Rhododendron amagianum	endangered
EN	Rhododendron balangense	endangered
EN	Rhododendron myrtifolium	endangered
EN	Rhododendron sanctum	endangered
EN	Rhododendron sanctum var. lasiogynum	endangered
EN	Sequoia sempervirens	endangered
EN	Sequoiadendron giganteum	endangered
EN	Taxus chinensis	endangered
EN	Ulmus chenmoui	endangered
EN	Xanthocypris vietnamensis	endangered
VU	Abies cilicica subsp. isaurica	vulnerable
VU	Abies durangensis var. coahuilensis	vulnerable
VU	Abies fabri	vulnerable
VU	Abies fabri subsp. minensis	vulnerable
VU	Abies recurvata	vulnerable
VU	Abies recurvata var. ernestii	vulnerable
VU	Acer amplum subsp. catalpifolium	vulnerable
VU	Acer calcaratum	vulnerable
VU	Acer negundo subsp. mexicanum	vulnerable
VU	Acer pseudosieboldianum subsp. takesimense	vulnerable
VU	Acer pycnanthum	vulnerable
VU	Davidia involucrata var. vilmoriniana	vulnerable
VU	Fagus hayatae	vulnerable
VU	Fagus longipetiolata	vulnerable
VU	Fraxinus baroniana	vulnerable
VU	Juglans californica	vulnerable
VU	Magnolia cylindrica	vulnerable
VU	Magnolia sargentiana var. robusta	vulnerable
VU	Picea breweriana	vulnerable
VU	Picea likiangensis	vulnerable
VU	Picea likiangensis var. rubescens	vulnerable
VU	Picea morrisonicola	vulnerable
VU	Pseudolarix amabilis	vulnerable
VU	Pseudotsuga sinensis	vulnerable
VU	Pterostyrax psilophyllus	vulnerable
VU	Quercus hintoniorum	vulnerable
VU	Rhododendron asterochnoum	vulnerable
VU	Rhododendron beanianum aff.	vulnerable
VU	Rhododendron bracteatum	vulnerable
VU	Rhododendron callimorphum	vulnerable
VU	Rhododendron calophytum	vulnerable
VU	Rhododendron charitopes subsp. charitopes	vulnerable

VU	Rhododendron citriniflorum var. horaeum	vulnerable
VU	Rhododendron clementinae subsp. aureodorsale	vulnerable
VU	Rhododendron dichroanthum subsp. apodectum	vulnerable
VU	Rhododendron eastmanii	vulnerable
VU	Rhododendron eclecticum	vulnerable
VU	<b>Rhododendron galactinum</b>	vulnerable
VU	Rhododendron glanduliferum	vulnerable
VU	Rhododendron hookeri	vulnerable
VU	Rhododendron hunnewellianum	vulnerable
VU	Rhododendron hunnewellianum var. rockii	vulnerable
VU	Rhododendron hylaeum	vulnerable
VU	Rhododendron longipes	vulnerable
VU	<b>Rhododendron makinoi</b>	vulnerable
VU	Rhododendron maoerense	vulnerable
VU	Rhododendron martinianum	vulnerable
VU	Rhododendron microgynum	vulnerable
VU	Rhododendron mucronulatum var. ciliatum	vulnerable
VU	Rhododendron niveum	vulnerable
VU	Rhododendron orbiculare	vulnerable
VU	Rhododendron pachysanthum	vulnerable
VU	Rhododendron parmulatum	vulnerable
VU	Rhododendron pudorosum	vulnerable
VU	Rhododendron qiaojiaense	vulnerable
VU	<b>Rhododendron ririei</b>	vulnerable
VU	Rhododendron selense subsp. jucundum	vulnerable
VU	Rhododendron sherriffii	vulnerable
VU	Rhododendron smirnowii	vulnerable
VU	<b>Rhododendron souliei</b>	vulnerable
VU	Rhododendron taliense	vulnerable
VU	Rhododendron thayerianum	vulnerable
VU	Rhododendron thomsonii	vulnerable
VU	Rhododendron traillianum var. dictyotum	vulnerable
VU	Rhododendron trichanthum	vulnerable
VU	Rhododendron tsaii aff.	vulnerable
VU	Rhododendron vaseyi	vulnerable
VU	Rhododendron wasonii	vulnerable
VU	Rhododendron williamsianum	vulnerable
VU	Sinojackia xylocarpa	vulnerable
VU	<b>Sorbus latifolia</b>	vulnerable
VU	Sorbus minima	vulnerable

VU	<i>Thuja koraiensis</i>	vulnerable
VU	<i>Torreya californica</i>	vulnerable
VU	<i>Tsuga forrestii</i>	vulnerable

red: new or again in collection since 2015 or more recent
